From: The Director for General Services

Subject: NORTH GARDEN CONSTRUCTION PROJECT

Addendum

1. The purpose of the present addendum is to inform staff members that the Headquarters construction programme of work in the garden area will recommence on 31 May 1994 and continue for an indefinite period in order to carry out essential repair work to the supporting substructure.

2. Unfortunately, owing to safety considerations, it is very much regretted that only authorized personnel will have access to the garden during this period.
